

Coppell Middle School North School Supplies 2017-2018

In an effort to avoid waste and make the most of our funding, **we have transitioned to a school supply fee.** The school supply fee will be required for every student, replacing the traditional shrink wrapped package. Having a fee allows us to be much more efficient in buying exactly what is needed for the classrooms. The school supply fee will cover the following (as well as additional items as required and as long as the funds remain):

Pencils, Colored pencils, Markers, Highlighters, Glue, Scissors, Notebook paper, Rulers, Kleenex, Paper Towels, Composition Books, Construction Paper, Erasers, Batteries, Goggles (for science)

As always, there will be items that are not covered by the supply fee. Those include, but are not limited to, whatever organizational system your student chooses (zippered binder, multiple pocket binders, etc.), tri-boards for presentations, poster board for projects, zip drives and supplies for specific projects or in-class activities.

We encourage everyone to take advantage of the ease of the school supply fee. Payment for the supplies is available online [at this link.](#) The following items will need to be purchased by you and brought to the front office if you choose to purchase your own. Your student will need to bring the supplies to school on the first day of classes.

DESCRIPTION	QUANTITY
